

Betadine Veterinary Surgical Scrub

Drug Facts

Active ingredient

Povidone-iodine, 7.5% –
(0.75% available iodine)

Purpose

Antiseptic

Uses

- for preparation of the skin prior to surgery
- helps to reduce bacteria that potentially can cause skin infection
- for handwashing to reduce bacteria on the skin
- significantly reduces the number of microorganisms on the hands and forearms prior to surgery or patient care

Warnings

For external use only

Do not use this product

- in the eyes
- on food-producing animals

When using this product

- prolonged exposure to wet solution may cause irritation or, rarely, severe skin reactions
- in pre-operative prepping, avoid "pooling" beneath the animal

Stop use and ask a doctor or veterinarian

- if irritation and redness develop
- in rare instances of local irritation or sensitivity

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

A. Surgical hand scrub:

- wet hands with water
- spread about 5 cc (1 teaspoonful) of Scrub over both hands and forearms
- without adding more water, scrub thoroughly for 2 1/2 to 3 minutes
- use a brush if desired. Clean thoroughly under fingernails.
- add a little water and develop copious suds. Rinse thoroughly under running water.
- repeat the entire procedure using another 5 cc of Scrub

B. Antiseptic hand wash:

- wet hands with water and pour about 5 cc of Scrub on hands
- rub hands vigorously together for at least 15 seconds, covering all surfaces
- rinse and dry with a disposable towel

C. Pre-operative skin preparation:

- after the surgical area is clipped, wet it with water
- apply Scrub (1 cc is sufficient to cover an area of 20-30 square inches), develop lather and scrub thoroughly for about 5 minutes
- rinse off using sterile gauze saturated with water
- the area may then be painted with BETADINE Solution Veterinary and allowed to dry

Other information

- store at 25°C (77°F); excursions permitted between 15°-30°C (59°-86°F)
- store in original container

Inactive ingredients

ammonium nonoxonyl-4 sulfate, nonoxonyl-9, purified water, sodium hydroxide
